WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, **NEIGHBORHOOD REDEVELOPMENT LLC** and/or an individual(s) or affiliate, subsidiary, or entity or entities formed or to be formed on its behalf (the "Company"), has submitted an application to the Agency, a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") consisting of: (A) the acquisition or retention by the Agency of fee title to, or a leasehold interest in, a parcel of land located at 263 East Avenue in the City of Lockport, Niagara County, New York (the "Land"); (B) the renovation of the existing building located on the Land, into a multi-use building containing commercial, office and retail space, along with three (3) market-rate apartments ("Improvements"); and (C) the acquisition and installation in and around the Improvements of certain items of machinery, equipment and other tangible personal property (the "Equipment" and collectively with the Land and the Improvements, the "Facility").

WHEREAS, it is contemplated that the Agency will hold public hearings and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take or retain fee title to,

leasehold or other interest in the Land, Improvements, Equipment and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, the Agency has scheduled public hearings and provided notice of the public hearings pursuant to Section 850-a of the Act; and

WHEREAS, the Agency must determine whether the undertaking of the Project and the providing of the contemplated financial assistance with respect to the same will be in conformance with Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (said law and regulations hereinafter collectively referred to as "SEQR").

WHEREAS, pursuant to Section 862 of the Act, the Project may constitute a "retail" project and, as a result, in addition to the other requirements of the Act, prior to the Agency providing any financial assistance to the Project the Agency must determine if the Project is located in a "highly distressed area" as set term is defined in Section 862 of New York General Municipal Law.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Niagara County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(E) Pursuant to Section 862 of the Act, the Project constitutes a "retail" project. Subject to documentation to be provided by the Company to the Agency, the Agency must determine whether the Project is located in a highly distressed area as defined in Section 862 of the New York General Municipal Law.

Section 2. For purposes of investigating the advisability of undertaking a coordinated review under SEQR with respect to the Project and determining whether the Project may have a "significant effect on the environment" (as such term is defined under SEQR), the Executive Director of the Agency is hereby authorized and directed to take the following actions:

(A) To obtain an Environmental Assessment Form (the "EAF") with respect to the Project from the Company; and

(B) To review the EAF with counsel to the Agency and prepare proceedings to allow the Agency to comply with SEQR; and

(C) To contact all other "involved agencies" with respect to the Project for the purposes of ascertaining whether they are interested in undertaking a coordinated review with respect to the Project; and

(D) Upon completion of the foregoing, to report to the Agency at its next meeting on the status of the environmental review process with respect to the Project.

Section 3. The Chairperson, Vice Chairperson and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to hold public hearings in compliance with the Act and negotiate (but not execute or deliver) the terms of (A) an Agent Agreement, whereby the Agency appoints the Company as its agent to undertake the Project and to immediately provide sales tax exemption benefits for purchases and rentals related to the renovation, construction and equipping of the project, (B) a Lease Agreement, whereby the Company leases the Facility to the Agency, (C) a related Leaseback Agreement, conveying the Facility back to the Company, (D) a PILOT Agreement, whereby the Company agrees to make certain payments-in-lieu-of real property taxes, (E) a PILOT Mortgage, securing the payment of the amounts due under the PILOT Agreement and (F) related documents; *provided*, (i) the rental

payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 4. The Agency is hereby authorized to conduct public hearings in compliance with the Act.

Section 5. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Resolution No. 20-03-8.1.1

RESOLUTION OF THE NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY (i) UNDERTAKE A CERTAIN PROJECT FOR THE BENEFIT OF NEIGHBORHOOD REDEVELOPMENT LLC AND/OR AN INDIVIDUAL(S) OR AFFILIATE, SUBSIDIARY, OR ENTITY FORMED OR TO BE FORMED ON ITS BEHALF (AS MORE FULLY DEFINED BELOW); (ii) DETERMINE THAT THE PROJECT WILL NOT HAVE A SIGNIFICANT EFFECT ON THE ENVIRONMENT; (iii) NEGOTIATE AND EXECUTE A LEASE AGREEMENT, LEASEBACK AGREEMENT, PAYMENT-IN-LIEU-OF-TAX AGREEMENT, PILOT MORTGAGE AND RELATED DOCUMENTS; AND (iv) PROVIDE FINANCIAL ASSISTANCE TO THE COMPANY IN THE FORM OF (A) A SALES TAX EXEMPTION FOR PURCHASES AND RENTALS RELATED TO THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF THE PROJECT, (B) A MORTGAGE RECORDING TAX EXEMPTION FOR THE FINANCING RELATED TO THE PROJECT; AND (C) A MORTGAGE RECORDING TAX EXEMPTION FOR THE MORTGAGE RELATED TO THE PILOT AGREEMENT.

WHEREAS, by Title 1 of Article 18-A of the General Municipal Law of the State of New York, as amended, and Chapter 569 of the Laws of 1972 of the State of New York (the "Act"), **NIAGARA COUNTY INDUSTRIAL DEVELOPMENT AGENCY** (the "Agency") was created with the authority and power to own, lease and sell property and to issue its bonds as authorized by the Act; and

WHEREAS, pursuant to Article 18-A of the General Municipal Law the Agency desires to adopt a resolution describing the Project and the financial assistance that the Agency is contemplating with respect to the Project; and

WHEREAS, on February 12, 2020, the Agency adopted a resolution (the "Preliminary Resolution") accepting the Application and directing that a public hearing be held; and

WHEREAS, it was contemplated that the Agency would hold a public hearing and (i) negotiate an agent agreement (the "Agent Agreement") whereby the Agency will designate the Company as its agent for the purpose of acquiring, constructing and equipping the Project, (ii) negotiate a lease agreement (the "Lease Agreement"), leaseback agreement (the "Leaseback Agreement"), payment-in-lieu-of-tax agreement (the "PILOT Agreement") and payment-in-lieu of tax mortgage (the "PILOT Mortgage") with the Company, (iii) take or retain fee title to, leasehold or other interest in the Land, Improvements, Equipment and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement, PILOT Agreement and PILOT Mortgage have been negotiated), and (iv) provide financial assistance to the Company in the form of sales and use tax exemptions and a mortgage recording tax exemption for financing related to the Project, consistent with the policies of the Agency, a partial real property tax abatement and a mortgage recording tax exemption with respect to a certain payment-in-lieu-of-tax mortgage; and

WHEREAS, on the 3rd day of March, 2020, at 2:30 p.m. at Lockport City Hall, Council Chambers, One Locks Plaza, Lockport, New York 14094, the Agency held a public hearing with respect to the Project and the proposed financial assistance being contemplated by the Agency (the "Public Hearing") whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views. A copy of the Minutes of the Public Hearing along with the Notice of Public Hearing published and forwarded to the affected taxing jurisdictions prior to said Public Hearing are attached hereto as Exhibit A;

WHEREAS, the Agency has determined that under Section 862 of the New York General Municipal Law, that the Project will be used to make retail sales of goods or services to customers who personally visit the Project facilities to obtain such goods or services and that more than one-third of the total Project costs will be allocated for such retail purposes; and

WHEREAS, the Agency also found that, based year 2010 Census data, the poverty rate was 29.00% and the unemployment rate was 2.24 times the state average, for the year to which the date related, with respect to the adjacent census tract 235 in which the Project is located enabled the Agency to determine that the Project is located in a "highly distressed area" as said term is defined in Section 862 of the New York General Municipal Law; and

WHEREAS, the Company has submitted to the Agency a Short Environmental Assessment Form (the "EAF") in compliance with Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State (collectively, "SEQR") with respect to the Project, a copy of which is attached hereto as Exhibit B.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application, the Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Agency has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Agency will serve the public purposes of the Act and that the Project will preserve permanent, private sector jobs, or increase the overall number of permanent, private sector jobs in the State.

(D) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(E) The Project involves an "unlisted action" (as said quoted term is defined under SEQR). The review is "uncoordinated" (as said quoted term is defined under SEQR). Based upon the review by the Agency of the Short Environmental Assessment Form (the "EAF") and related documents delivered by the Company to the Agency and other representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (i) the Project will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a "significant effect on the environment" (as said quoted term is defined under SEQR) ; and (iii) no "environmental impact statement" (as said quoted term is defined under SEQR) need be prepared for this action. This determination constitutes a "negative declaration" (as said quoted term is defined under SEQR) for purposed of SEQR. The Agency's findings are incorporated in Part II of the EAF.

Section 2. The Agency has now found that, based year 2010 Census data, the poverty rate was 29.00% and the unemployment rate was 10.10%, or 2.24 times the state average, for the year to which the date related, with respect to the adjacent census tract 235 in which the Project is located enabling the Agency to determine that the Project is located in a "highly distressed area" as said term is defined in Section 862 of the New York General Municipal Law.

Section 3. Subject to the Company executing an Agent Agreement by and between the Agency and the Company and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency; (i) to acquire, construct and equip the Project; (ii) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency with the authority to delegate such agency, in whole or in part, to agents, subagents, contractors, and subcontractors of such agents and subagents and to such other parties as the company chooses; and (iii) in general, to do all things which may be requisite or proper for completing the Project, all with the same powers and the same validity that the Agency could do if acting in its own behalf; provided, however, the Agent Agreement shall expire on the date as indicated in the Agent Agreement (*unless extended for good cause by the Executive Director of the Agency*).

Section 4. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the company, its against, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, constants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 5. The Agency hereby confers on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption benefit from all New York State and local sales and use tax exemption benefits for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction or equipping of the Facility, (b) an exemption benefit from mortgage recording tax, and (c) a partial abatement from real property taxes benefit conferred through a certain Payment in Lieu of Tax Agreement. The Agency will provide the Company with Project incentives totaling \$121,170.00, comprised of real property tax exemption benefits, in the estimated amount of \$109,820.00 sales and use tax exemption benefits of approximately \$10,600.00 and mortgage recording tax benefits of

approximately \$750.00. To effectuate this Resolution, the Chairman, Vice Chairman and/or the Executive Director of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement with real property tax exemption benefits; provided (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 6. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 7. These Resolutions shall take effect immediately upon adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:
